Water capacity: 40 US gal | 151.4 L
Waste capacity: 30 US gal | 113.6 L
Weight, dry: 8,200 lbs | 3,719 kg

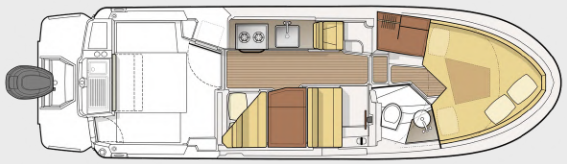

Cruising without compromise is the name of the game for the R-27 from Ranger Tugs. Straight from the factory, your new R-27 will be outfitted to cruise, fish, and play in comfort and style. Powered by efficient and popular Twin Yamaha F150 DES outboards, the R-27 doesn't waste time delivering you and your family to your next adventure. Enjoy peace of mind knowing that the included 12" Garmin chartplotter will guide you safely on your passage and that when you arrive, and the bow thruster will make docking a non-event.

The curved front windshield and overhead glass atrium provide beautiful 360 degree views and generous light throughout the salon. Open the aft glass bulkhead in tandem with any of the hatches, windows, or port lights to deliver a fresh breeze throughout the cabin. Chefs will be delighted to cook in the full galley complete with a propane stove and oven with broiler, or to simply grill on the removable electric Kenyon grill. When taking in a gorgeous sunset, you and your guests can enjoy the view from the spacious cockpit or from the new double lounge seat on the bow of the R-27.

The R-27 from Ranger Tugs is designed and built to offer maximum usability, value, and FUN. When you buy a Ranger Tug you're not just buying a boat, you're joining our family.

Garmin Navigation Package with Radar

A full navigation package from Garmin including a 12” GPS chartplotter with sonar and xHD radar is standard equipment on the R-27. Easily monitor fuel flow, engine data, bottom conditions, GPS location, tides and much more.

Cabin Atrium Skylights and Hatches

The cabin is open and bright, featuring overhead atrium skylights with heat reflective tint and opening rooftop hatches.

Full Galley

The R-27’s full galley is a chef’s dream, featuring a propane stove and oven with broiler, stainless sink with hot/cold water, cutting board, ample storage, refrigerator/freezer combo, and microwave.

Solar Panel

The included solar panel helps to keep your batteries charged while you’re boating off-grid. Now you can go further and stay longer without the need for shore power or a generator.

Laminar Flow Interrupters

The R-27 is equipped with our Laminar Flow Interrupters for smooth, positive cornering performance.

Performance

Twin 150HP Yamaha F150 outboards, electric steering (DES)
